Subject: NE T-Hangar Demolition - Contaminated Soil Excavation

Dear Mr. Eaton:

Your proposal dated 11-9-98 in response to my letter of 11-5-98 giving the equipment rental rate for the excavator at \$140 per hour for the excavation needed to remove the contaminated soil on the north side of the NE T-Hangar Demolition site is accepted.

Please have someone there on November 16 at 7AM to meet me and the technician from Olympus Environmental.

Should you have any questions, please contact me at (206) 296-7425.

Sincerely yours,

Jeffrey W. Winter, P.E.  
Airport Engineer
